

Tru Grit Truck N Farm Grease

Description

Tru Grit Truck N Farm Grease is premium lithium, extreme pressure, high-temperature grease.

Tru Grit Truck N Farm Grease is suitable for high temperature, high load, shock load and vibration applications in variety of automotive, industrial, construction, mining and marine applications. It is recommended for a wide range of bearings operating temperature up to 210oC. The product complies with Timken specification.

Applications/Benefits

- Maximum operating temperature of 210oC.
- Suitable for wide range of bearing speed.
- Extra protection against rust and corrosion.
- Reduced wear under heavy or shock load and vibrations.
- Excellent resistance to water washout and contamination.
- Extended life in wet environment.

Typical Characteristics

Test Description	Method	Typical Results
NLGI Grade		#2
Thickener Type		Lithium
Colour		Red
Texture		Smooth
Dropping Point, 0 Deg C	ASTM D-2265	225
Worked Penetration @ 25 Deg C	ASTM D-217	210-240
Timken ok load, PSI	ASTM D2509	45-55
Water Wash-out	ASTM F-1264	PASS
Rust & Corrosion Test	ASTM D-1743	PASS

Performance Standards
-Meets U.K Timken Standard
